QUOTES

Where ever we will go - we will go with all our heart.

To have and to hold from this day forward...

Dance through life with me, the best is yet to be.

United in marriage, united in family, united in love.

Today I marry my best friend,
the one I laugh with, live for, dream with, love

Once in a while, right in the middle of an ordinary life,
love gives us a fairy tale.
